Are you looking for a unique experience for your son or daughter that will challenge them, equip them with key life skills and give them the adventure of a lifetime?

Then look no further than the Leeuwin Youth Explorer Voyage. The seven day program aimed at 14-25 year olds is both exciting and rewarding, teaching participants all aspects of living and working aboard a traditional tall ship. They will experience steering and navigating the ship, setting sails in all weather conditions, sailing through the night beneath the Milky Way and seeing parts of West Australia's stunning coastline.

It’s not just about learning to sail and meeting new friends though. They will also learn more about themselves, overcome challenges, conquer fears and become more tolerant towards others. The voyages aim to increase self-confidence and self-awareness as well as developing communication, teamwork and leadership skills which can be applied in all aspects of life.

Students in years 10, 11 and 12 can earn 5 WACE points towards their senior graduation and the voyage can count as the Adventurous Journey or Residential Project component of the Duke of Edinburgh Award. Sail trainees may also be invited back as volunteer crew on future day sails and voyages, allowing them to keep in touch with their crewmates, further hone their skills and sail for free!
